LIGHTING

WWW.AVENUELIGHTING.COM

Avenue Lighting is a manufacturer of contemporary and transitional lighting fixtures. With over 30 years of experience in the lighting industry, our collections provide ambient lighting in a wide range of styles, giving each space it's own unique character.

As in life with many different Avenues to choose, each collection has been inspired by famous streets along with a passion for travel. Being based in Los Angeles, style is key. When crafting a unique Avenue Lighting piece or collection, we draw inspiration from diverse designs and qualities found around the globe. We believe in creating more than just a lighting fixture - "we create jewelry for the home". There is not a more powerful statement than a cutting-edge lighting piece. Whether you want to add some sparkle with an elegant chandelier in the foyer or an elongated dining room fixture over the dinner table, our pieces instantly become the focal point of your room or the perfect accent to your design.

Mission Statement

At Avenue Lighting, we are more than just a lighting company; we are visionaries inspired by the art of travel, committed to illuminating spaces with a perfect blend of quality, sophistication, and affordability. As a dynamic and youthful enterprise, we strive to redefine the industry by crafting high-end lighting solutions that resonate with the latest trends while setting our own distinctive standards.

Our mission is to bring exceptional design within reach, ensuring that every home or space is adorned with the brilliance of Avenue Lighting. We are dedicated to making illumination not only a necessity but a statement of style, innovation, and accessibility, creating an inspired journey through light for all.

ALL ITEMS ARE UL OR ETL LISTED.

Please note: The images in our catalog vary, including both artist renderings and actual photographs. This diversity aims to provide a comprehensive visual representation of our offerings.

Values

At Avenue Lighting, our core values are not just principles; they are the heartbeat of our organization. We believe in fostering a family-like environment where every member, from team associates to customers, feels a sense of belonging and support. Beyond our commitment to crafting high-quality lighting products, we hold a profound belief in giving back to our community, particularly to children in need. Through the success of Avenue Lighting, we strive to make a positive impact on the lives of children facing illness, embodying our dedication to social responsibility.

Our values are rooted in unwavering ethical standards, ensuring that integrity is at the forefront of every decision we make. Excellence is not just a goal but a journey, and we are committed to the relentless pursuit of making lighting products better, more innovative, and environmentally sustainable. Our passion for design is a driving force, fueling our creativity and dedication to producing fixtures that transcend the ordinary.

Above all, our commitment to quality is non-negotiable. We believe in crafting lighting solutions that stand the test of time, providing not just illumination but an enduring source of joy and inspiration. At Avenue Lighting, our values are not mere words; they are the guiding principles that shape every facet of our company, defining who we are and the positive impact we aspire to make in the world.

Transform your space with the tailored elegance of our Multi-Port Collections, where elegance meets customization. Choose from three exquisite finishes and six distinctive decorative options to design a light fixture that reflects your unique style and space.

The options include:
Glacier: Choose between bubbled or clear crystal for a touch of icy elegance.
Aspen: Available in bubbled or clear options.
Boa Glass: A sinuous and textured glass that adds a dynamic touch to any room.
Snow Acrylic: Mimicking the softness of freshly fallen snow, this acrylic brings a light, airy feel.

Begin by selecting the perfect size for your space, then choose a finish that complements your decor. Finally, select from the Glacier, Aspen, Boa Glass, or Snow Acrylic decorative components to complete your custom piece. Each choice allows you to express your style, whether you prefer the sparkling clarity of crystal, the textured intrigue of Boa Glass, or the ethereal lightness of Snow Acrylic.

Our Multi-Port Collections are more than just lighting; they express individuality and creativity. Create a piece that not only illuminates but also elevates your decor, making your space a true reflection of you.

Discover our Multi-Port Collections, featuring three finishes and six distinctive decorative light components for a fully personalized look. Each fixture comes standard with a dimmable GU10 3000K LED bulb, delivering a warm, inviting glow. For a cooler, more neutral tone, you can choose a 4000K bulb by adding it to the end of the item number. Designed for compatibility with ELV dimmers, these fixtures allow smooth, effortless control of your lighting ambiance. Customize your selection to suit your style, with custom dimensions available upon request for the perfect fit in any space.

Explore the Main St. Collection, offering three finishes and three unique decorative components to customize your lighting to perfection. Standard with every fixture is a dimmable G9 3000K LED bulb, ensuring a warm, welcoming glow. Opt for our 4000K bulb for a cooler tone by adding "-4" to the end of the item number for tailored illumination. Compatible with ELV dimmers, this collection provides seamless ambiance adjustment. Tailor your selection to perfection. Custom dimensions are available upon request to ensure an ideal fit for your unique space.

When you place your order, select your preferred bulb quantity and color temperature: either 3000K or 4000K. To specify 3000K, append "-3" to the model number, and for 4000K, append "-4."

For example, for a 4000K color temperature, the model number would be HF2020-BOA-PN-4.

Dimmable with ELV dimmers.

HF8142-DBZ-CL
Shown in Dark Bronze

Discover the Sonoma Collection, offered in two striking finishes: Dark Bronze paired with clear, heavy-set molten glass globes, and Brushed Brass featuring a blend of white and clear molten glass globes. Bulbs are not included, giving you the flexibility to tailor your lighting experience. Custom dimensions are available upon request to ensure a perfect fit for your unique space.

MAGNETIX
BY AVENUE LIGHTING

Introducing Magnetix by Avenue Lighting

Where modern design meets innovative magnetism.

Magnetix is Avenue Lighting's cutting-edge 24V low-voltage track system, designed for maximum flexibility, sleek aesthetics, and effortless installation. Featuring magnetic mounting technology, this system allows for seamless attachment of spotlights and pendants, making it easy to customize lighting layouts with precision and ease.

With multiple mounting options: surface, recessed, or suspended. Magnetix adapts to any environment, from high-end residential areas to commercial interiors. Backed by durable components, commercial-grade finishes, and powerful rare earth magnets, Magnetix is built to perform beautifully and reliably. Discover a smarter way to illuminate with Magnetix.
